LEONARD COHEN

This week CBS are releasing a single comprising two tracks from LEONARD COHEN's second album Songs From A Room, the titles are: BIRD ON THE WIRE and SEEMS SO LONG AGO, NANCY.

Both in Britain and in America Leonard Cohen has generated a tremendous amount of interest. His unique and distinctive compositions and his wry, gentle and unforced interpretations has captured the imagination of the record buyers on both sides of the Atlantic. His first album for CBS "Songs Of Leonard Cohen" was released here some fourteen months ago and has been appearing in the British best selling charts every since.

His latest album, Songs From A Room, was produced by Bob Johnston and has already joined its predecessor since its release at the beginning of the month.

Leonard is currently searching for a small suitable farm near Nashville on which he intends to settle permanently.

N.B A collection of Leonard Cohen's selected poems has recently been published in this country by Jonathan Cape Limited.
